RE: AMRS and MDRA Reciprocal Arrangement

The Australian Model Rocket Society Inc. (AMRS) is pleased to announce a new reciprocal arrangement with the Maryland-Delaware Rocketry Association (MDRA). The new arrangement will see the recognition of High Power Rocketry (HPR) Certifications completed under AMRS, recognised by the MDRA at any of their launches and vice versa.

A few compliance caveats exist:

- Both AMRS and MDRA hold independent insurance which is only valid for their respective countries and events.
- Flyers of both countries need to acquaint themselves with each other's specific regulations before flying.

The MDRA is one of the world's most respected clubs with a large number of well-known members, including Bob Utley, Neil McGilvray, Steve Eves, Dan Michaels, Jerry O'Sullivan, Mike Passaretti and Fred Wallace. The AMRS is proud to associate with this organisation and look forward to welcoming MDRA members at our launches!

See you all at the next Red Glare!

Dave Couzens
Chancellor
