## RE: AMRS and TRA Reciprocal Arrangement

The Australian Model Rocket Society Inc. (AMRS) is pleased to announce a new reciprocal arrangement with the Tripoli Rocketry Association (TRA). The new arrangement will see the recognition of High Power Rocketry (HPR) Certifications completed under AMRS and TRA mutually recognised.

A few compliance caveats exist as per the below:

- Both AMRS and TRA hold independent insurance which is only valid for their respective countries and events.
- Participants must be a member of the respective organisation to fly.
- Certifying officials may only certify members from their respective organisation.

This agreement has been the result of significant discussions and meetings by both organisations.

The AMRS welcomes the participation from TRA members in Australia and looks forward to growing the international presence of both organisations.

Dave Couzens  
Chancellor
